Building Permit No.: XX-XXXXXX HO or AS	Plumbing Permit No.: XX-XXXXXX PR	Electrical Permit No.: XX-XXXXXX ER	

I, _____, hereby declare that I will assume full responsibility for every part of this video inspection as the City of Winnipeg Housing Inspector can only inspect what is shown on the camera. Therefore, the City cannot be held liable for any missed components of the inspection. At any point during the video inspection, the inspector may terminate the inspection upon seeing something that is unsafe or the video quality is insufficient to complete an inspection. At that point, an on-site inspection will be required. I hereby represent that:

- In my opinion the construction was carried out in substantial compliance with the applicable provisions of the Manitoba Building Code, the Manitoba Energy Code for Buildings, the Manitoba Plumbing Code, and the Winnipeg Electrical By-Law, and the plans submitted in support of the application for these permits.
- I have informed the City in cases where I am aware that the construction has materially deviated from the submitted plans.
- I am not aware of any substandard workmanship, materials or assemblies that would compromise code compliance.
- I am aware that in addition to the video inspection, the City of Winnipeg may request a mandatory on-site audit at a future date, to confirm that compliance has been met for this scope of work.
